## We're here for you

Welcome to Breast Cancer Connections, your one-stop resource for breast cancer and related breast health issues.

We are a nonprofit organization located in the San Francisco Bay Area, but you're welcome to call us from anywhere. We offer free programs and services for those touched by breast cancer and the people who care about them.

Whether you call us or visit in person, we'll treat you with respect and compassion, and help you take the steps you need to face your cancer.

### Newly diagnosed?

If you've just been diagnosed with breast cancer and are feeling overwhelmed, please call our Helpline. Our warm and friendly volunteers will answer your call.

You're also welcome to visit our center anytime from 9:00 a.m. to 5:00 p.m. weekdays, 1:00 to 5:00 p.m. Saturdays. Or come to our Weekly Q&A Session, held Thursdays from 5:30 to 7:00 p.m.
